

Conference Center COVID-19 Event Protocols

The health, safety and well-being of our event attendees, business partners, and staff members is our number one priority, especially during these challenging times of COVID-19. Our focus is to provide rental space that meets our customer's needs while also ensuring protocols are in place to help mitigate the likelihood of spreading COVID-19. Our current plans and protocols are outlined below, and we expect to build on these plans as new information becomes available to us.

Venue Guests Protocol

- All guests are required to wear face coverings at all times, except when dining. Guests may remove face coverings while actively eating or drinking, but guests should be stationary and maintain appropriate physical distancing.
- Wash your hands often with either soap and water for at least 20 seconds OR use hand sanitizers located throughout our venue.
- Maintain adherence to appropriate social distancing of at least 6ft.

Venue Tours

- All venue tours are limited to only 2 guests.
- Our staff member and all guests are required to wear face coverings.
- Throughout the tour, the safe distance of six feet will be maintained.
- The conference meeting room for discussions will be limited to three chairs with a safe distance between them.
- Upon tour completion, staff will clean and disinfect any touched surfaces during the tour, with special focus within the conference meeting room.

Venue Sanitation Protocols

- Hand Sanitizer Stations will be located throughout the rental areas.
- Every sixty minutes, restrooms will be temporarily closed for cleaning/disinfecting of high usage touch points.
- After every event, deep cleaning of all bathrooms and the kitchen area are conducted by our staff.

- All tables and chairs used for an event are disinfected before and after each event.
- All touch points within the venue are disinfected on a continual basis during the event hours and after each event.
- For podium, microphones, and A/V cart rentals, disinfectant wipes will be supplied to allow for cleaning between individual's usage.
- All Thrasher-Horne Conference Center staff will wear face coverings.

Social Distancing

- Capacity charts based on setup type (i.e. lecture, banquet style or classroom) for all meeting rooms will be revised to allow for physical distancing standards.
- Our public access doors will be designated as one set for an entrance only and the second set for an exit only to limit cross pedestrian traffic and personal contact.
- Areas for dancing are allowed with all participants wearing face coverings.

Food Service

- For food service, no platters of food or open buffets will be allowed. Catering options are: either a buffet served by catering staff, individually packaged (boxed) meals or plated meals served by catering staff.
- All beverages must be served in individual sized containers (i.e. cans or bottles). No open containers or pitchers.
- All caterers staff are required to wear face coverings and gloves.
- Dedicate catering staff for cleaning, sanitizing, and disinfecting highly touched surfaces within areas of caterer use throughout service period.
- Catering staff should maintain social distancing within work areas.
